Dear Ali,

I am writing to you to formally respond to the email you sent to Scottish Ministers on the 11 May 2020 in which you included a copy of the SAPOE statement on how outdoor learning can support the reopening of schools in Scotland.

You will be aware that the Scottish Government is currently undertaking work aimed at ensuring the benefits of outdoor learning are properly recognised during the education recovery phase. The meetings you attended on the 29 May 2020 have been part of that process.

We believe that the ongoing work around outdoor learning in education recovery is addressing the three requests contained in the SAPOE statement. However, should you wish to discuss any of this further please do not hesitate to contact me.

Yours sincerely

Liam Cahill
